## CHURCH BULLETIN – MAY / JUNE 2010

### СВЕТИТЕ БРАТЯ КИРИЛ И МЕТОДИЙ – ПАТРОНИ НА НАШИЯ ХРАМ

Солунските братя, Методий и Константин Философ са създатели и разпространители на първата славянска азбука - глаголицата. На името на Кирил е наречена създадената по-късно кирилица. Канонизирани са като светци за превода и популяризирането на Библията на старобългарски език и разпространяване на християнството.

Считани са за равноапостоли. Обявени са от Папата за Покровители на Европа.

Православната църква ги тачи и като едни от светите Седмочисленици. Пепелта на вековете не загаси огъня на славното Кирило-Методиево Дело. На него бяха наречени училища и храмове, него носи с гордост и построения от нашите деди тук в Торонто през 1910 година Катедрален Храм, който тази година ще отпразнува своята 100 годишнина.

**НЕКА ДЕЛОТО НА СВЕТИТЕ БРАТЯ ПРЕБЪДЕ ВЪВ ВЕКОВЕТЕ!**

### **Кирил и Методий**

Текст: Стоян Михайловски

Върви, народе възродени,  
към светли бъднини върви!  
С книжовността, таз сила нова,  
съдбините си поднови!

Върви към мощната просвета,  
в световните борби върви,  
от длъжност неизменна воден  
и Бог ще те благослови!

Напред! Науката е слънце,  
което във душите греи!  
Напред! Народността не пада  
там, дето знаньето живей!

Тъй Солунските двама братя  
на сърчаха дедите ни...  
О, минало незабравимо,  
о, пресвещени старини!

О, вий, които цяло племе  
извлякохте из мъртвина,  
народен гений възкресихте,  
заспал в дълбока тъмнина!

Подвижници за права вяра,  
сеятели на правда, мир,  
апостоли великославни,  
звезди върху славянският мир.

Бъдете преблагословени,  
о, вий Методий и Кирил,  
отци на българското знание  
творци на нашият говор мил!

Нек името ви да живее  
във всенародната любов,  
речта ви мощна нек се помни  
в славянството во век веков!
